

EU Declaration of Conformity

Pursuant to Regulation (EU) 2025/40 (PPWR) – Annex VIII

Green trays (HDPE) – DECLARATION OF CONFORMITY (Annex VIII)

1 Unique identification of the packaging

O.1.021D – Green trays (HDPE).

Family SKUs: **246, 216, 186, 156, 136, 106, 154, 104, 24603, 206.**

Traceability via GRAI / GS1 barcode / DMC.

2 Name & address of the manufacturer (and authorised representative)

EPS Europe B.V.

Laan van Vredenoord 8–12, 2289 DJ Rijswijk, The Netherlands (PO Box 1887, NL-2280 DW Rijswijk)

Manufacturer per PPWR Art. 3(13): EPS designs and markets the packaging under its own name.

Authorised representative: none appointed. EPS Europe B.V. is the manufacturer established in the EU (Art. 3(13)) and retains the EU declaration of conformity and technical documentation (Art. 17 authorised representative is optional and not used). Any per-Member-State authorised representative for extended producer responsibility (Art. 45) is handled separately under the EPR/registration workstream.

3 Sole-responsibility statement

This declaration of conformity is issued under the sole responsibility of the manufacturer. EPS Europe B.V. declares under its sole responsibility and to the best of its knowledge that the packaging described below complies with Regulation (EU) 2025/40 (PPWR) in its latest version.

4 Object of the declaration (description)

Format: Foldable

Type: Transport packaging

Food contact: Yes

Single-use or reusable: Reusable (closed-loop pooling system).

Description: Reusable foldable transport packaging for the containment, protection, handling, storage and transport of fruit, vegetables and packed food products, used within the EPS closed-loop pooling system.

Main material: High-density polyethylene (HDPE), ≤ 30% recycled HDPE (rHDPE)

Additives: < 2% colour masterbatch (green pigment), UV stabiliser, processing aids

Clips/closures: PP with 15% glass fibre; POM clips on 24603 and 20600

Label: In-mould barcode label (HDPE with microporous polyolefin synthetic paper)

Other components: add-on 30% glass-fibre reinforced PP on the long wall of the 20600

EU Declaration of Conformity

Pursuant to Regulation (EU) 2025/40 (PPWR) – Annex VIII

5 Conformity with other Union legislation

Regulation (EU) 2025/40 on packaging and packaging waste (PPWR)

Directive 94/62/EC on packaging and packaging waste – repealed; references construed as the PPWR per Annex XIII (correlation table)

Regulation (EC) No 1907/2006 (REACH)

Regulation (EC) No 1935/2004 on materials and articles intended to come into contact with food

Regulation (EU) No 10/2011 on plastic materials and articles intended to come into contact with food

Regulation (EC) No 2023/2006 on good manufacturing practice for food-contact materials

Regulation (EU) 2022/1616 on recycled plastic materials and articles intended to come into contact with food

6 Harmonised standards / common specifications

EN 13429:2004 – Packaging: Reuse

EN 13430:2004 – Packaging: Requirements for packaging recoverable by material recycling

EN 13695-1:2000 – Measurement/verification of the four heavy metals and dangerous substances in packaging

No common specifications published under PPWR as of mid-2026.

Internal & supplier references: EPS product & technical datasheets (PDS/TDS) for the format; Supplier material specifications and declarations of compliance (HDPE, rHDPE, masterbatch, PP/POM components); 8.2.056 New Material Compliance & Approval Procedure; 8.2.055 New Material Compliance & Approval Checklist

7 Notified body

None. PPWR conformity assessment follows Annex VII, Module A (internal production control); no notified-body intervention is required. The accredited test laboratories that produced the supporting reports (Intertek, SGS, GBA, TNO, Fraunhofer) are not notified bodies; their reports form part of the technical documentation, point (f).

Rijswijk, 07-08-2026

G.J. Scheringa

CEO Euro Pool Group

This statement and the supporting analyses are based on the provisions of Regulation (EU) 2025/40 (PPWR) applicable and available at the date of issue. Recognising that additional delegated acts, implementing acts, harmonised standards, and official guidance may be adopted to further specify the requirements of the Regulation, EPS Europe B.V. will monitor such developments and revise this statement and the underlying assessments, where necessary, to maintain ongoing compliance with the applicable regulatory framework.
